World Day of Prayer. What an awesome opportunity we have in the Christian community to celebrate each year as we join with Christians around the world to worship and pray together. Platt Springs United Methodist Women, 3215 Platt Springs Road, West Columbia, invite you to join with our faith community in the celebration of the 2012 World Day of Prayer Service on Friday, Mar. 2. Registration will begin at 11:30, the service will begin at noon, with lunch following in the Fellowship hall. This year World Day of Prayer focuses on the importance of having fair and just governance as the basis for peace. It takes courage, compassion, and active engagement for justice to prevail. The Program *Let Justice Prevail* was written by the women of Malaysia. The stories they have chosen to share give credence to the suffering that empowers their prayer. They ask us to work with God and with each other to create a world in which each gender, race, culture, religion and state is honored, nurtured and empowered. Please let Pam Hanfland 791-9890 know if you can attend by Sunday, Feb. 19 in order to RSVP a lunch count.

If you have not signed up in the past to receive calling post or e-vine messages about church events and wish to receive them, please give the telephone number or e-mail address by which you would like to be contacted to Pastor Lance or Pam Hanfland.
