PROJECT RENT AND BLANKET DONATION. DEADLINE EXTENDED TO MAY 30. Thank you to all that have contributed to the Community Service Project thus far. The deadline for the 2021 Community Service Project to assist God's Helping Hands, "Project Rent and Blanket Donations," has been extended to May 30. The project is for those in our own community that need financial assistance to prevent possible eviction or loss of utilities due to the Covid-19 pandemic. Many have lost their employment or were forced to terminate their employment due to taking care of their children not attending school or day care. If you would like to make a contribution, please make your check payable to OSLC-WELCA and indicate on the check that it is for Project Rent. There is a rack in the Narthex for the collection of gently used or new blankets which are always a need at God's Helping Hands. Thrivent Financial has donated to our project through their "Thrivent Action Teams" program. Thrivent encourages us to "live generously" and we are very grateful for their support of our community project. Should you have any questions, please contact Marie Lybrand or Beverly Nivens.
